WWW.EDUTEG.CO.ID

A close-up photograph of a person's hand sowing seeds into a black plastic seedling tray. The tray is filled with dark, rich soil. The hand is positioned on the left side of the frame, with fingers gently dropping seeds into one of the many small compartments of the tray. The background is blurred, showing more of the tray and the soil. The lighting is soft and natural, highlighting the texture of the soil and the skin of the hand.

***“Our Goal is To Become The
Global Leader in Blue-Collar
Skill Development.”***

EDUTEG is dedicated to improving every aspect of its core and supporting business processes in order to become Indonesia's leading and most advanced provider of blue-collar skill development, with a global presence.
